Lasernet BC Connector 4.4.0.4 Released!

2026-01-28 - Alice Petruzzella - Comments (0) - Lasernet BC Connector News

We are happy to announce that we have released Lasernet for Dynamics 365 Business Central 4.4.0.4!

Warning

The Lasernet Connectors for Microsoft Dynamics 365 are currently not compatible with Lasernet Core 11. We are working towards launching these two products together, but until then, current customers and partners with the Dynamics 365 connectors should continue to use Lasernet Core 10.
